They Smoked Cigarettes.
In New York yesterday an actress, to win a wager, smoked a cigarette in a crowded elevated railroad car. But her audacity was not equalled to that of two young Ashland girls, lost to maiden modesty, who walked around the grove at Lakeside yesterday puffing away at cigarettes, oblivious the sneers of all who witnessed this brazen exhibition.—Mahanoy City Record.

Notice to Applicants.
The examination of applicants for positions as teachers in the night schools of Shenandoah, Pa., will be held in the High school room on Tuesday, August 18th, 1896, beginning at 9 a. m.

Rev. Morrison Still Ill.
Rev. T. Maxwell Morrison, pastor of the First Presbyterian church of town, is still ill at his home in Avondale, Chester county. During the suspension of services in the church, many of the congregation attend the Methodist Episcopal church to hear the interesting discourses by Rev. Alfred Heebner.

At Ringtown Yesterday.
A large party of young folks from town enjoyed an outing at Zimmerman's farm, Ringtown, yesterday. They occupied three teams which were loaded down with the merry picnickers and eatables. A game of ball was played between the picked nines under the management of A. Schmidt and James Hand, in which the former team won by a score of 8 to 7.

Services at Lost Creek.
Rev. T. L. Zwieg, of Reading, conducted services in the Union church at Lost Creek last evening. Rev. Zwieg is a native of Wm. Penn. and is well known in this section. He is the founder and general organizer of a young people's organization known as the Word and Work Society.

PITTY POINTS.

Happenings Throughout the Region Chronicled for Hasty Perusal.
Kaskawillam colliery resumed work today after an illness of eight days. County Controller Severn will take an extensive Western trip in a week or two. McAdoo has decided to issue \$1000 bonds to take that new borough in working order. New York capitalists are contemplating the erection of a bicycle factory at Ashland. One of Roberts' livery horses was taken sick at the Zions Grove camp meeting yesterday.

Mrs. Kate Quinn, of Girardville, left today for Boston, where she will spend several weeks. The state convention of the Knights of Pythias will convene at Gettysburg tomorrow.

Mrs. Edward Lee, of Pottsville, has become insane and she was removed to the almshouse. The public schools at Gilberton opened this morning for the 1896-97 term, with a large attendance.

District Attorney Bechtel was in a runaway accident at St. Clair yesterday, and received several slight bruises. A well known farmer of this county predicts the largest crop of potatoes and corn for this season that the county has had for many years.

Alexander Kaufman, of Gordon, has announced himself as an independent candidate for the Legislature in the Second District. P. J. O'Neill, of Ashland, has accepted the challenge of P. Quinn, of Tamaqua, to dance, either jig, reel or clog, for \$50 or more. Dance to take place at Ashland.

Chief Burgess Burns docket this morning recorded five drunks in the lockup over Saturday, of which several paid their fines and were released.

UNFORTUNATE BICYCLISTS.

Sprains, Cramps and Cuts Made the Party Miserable.

R. W. Scheeler, Frank Schmidt, G. C. Clauser and John Gregory made a trip to the camp meeting at Zion's Grove and return yesterday under very unfavorable conditions. It is probable that they will take an ambulance on their next tour. On the road to the camp meeting Clauser's wheel struck a water course and he took a "header." An examination showed that Clauser's head was badly cut, but he continued with the party after having the injury dressed by Dr. Rentschler at Ringtown. Four stitches were put in the wound. When the start was made from the camp meeting, homeward bound, Scheeler was rendered powerless by cramps attacking his legs. He recovered after a brief delay and the party once more made a start, but was halted by a third accident. This time Schmidt was the victim. His wheel went over an embankment and it was feared that he had been dangerously injured, but it was found that he had only sustained a sprain of the right wrist. This broke the spirit of the party and it was decided to send Shenandoah for a carriage. Max Schmidt drove over to the valley and brought the unfortunate bicyclists back to town, the wheels being left on the Jones farm.

The Twin Shaft Report.

On Thursday next Mine Inspectors Stein, Brennan and Roderick, constituting the commission appointed by Governor Hastings to investigate the Twin Shaft disaster at Pittston, will meet the Governor at Harrisburg to consult on the preparation of the report. This work will take two or three weeks yet. On Saturday Mine Inspector Stein received a map of the Twin Shaft workings which was completed on the 13th inst. The absence of this map caused much of the delay in the preparation of the report and it is expected that the work will progress more rapidly now that the map has been received. At present each inspector is preparing an individual report on the investigation and there must be a revision and collaboration before the final report can be made. The inspectors will meet again on Wednesday, making their fifteenth meeting.

Fell Thirty Feet, But Uninjured.

Joseph, the 3-year-old son of John O'Neill, of Mahanoy City, was playing with his two elder brothers in the attic of their home yesterday afternoon and finally the older ones put the little fellow upon the window sill. He remained there for some time, but upon leaning against the closed shutters forced them open and dropped from the window to the porch thirty feet below. Dr. Sherman witnessed the accident and picked the child up. To the surprise of everybody the child had not sustained even a noticeable bruise by the fall.

Attended the Camp Meeting.

The camp meeting at Zion's Grove yesterday was very well attended. Shenandoah was well represented, among those in attendance being the following: Misses Lizzie Seltzer, Annie L. Lingham, Edna Shadle, of Tower City; Mr. and Mrs. William Small and son, Earl, Messrs. Samuel Small, W. G. Dusto, Sanford Shoemaker, Elwood Jacoby, H. H. Zuleck, M. F. Maley, Richard Rowe, John Higgins, E. B. Brumm, Frank and George Portz, P. J. Mulholland, G. Clauser and W. G. Gregory.

Ingalls on Bryan's Speech.

HOLTON, Kan., Aug. 17.—Ex-United States Senator Ingalls, who is campaigning in Kansas, spoke here to an enthusiastic crowd of 3,000 people, expounding Republican principles. After the meeting he said among other things: "It is not undue eulogy to say that by his Madison Square Garden speech he (Bryan) has put himself on a higher plane than he has yet occupied intellectually. Continuing Senator Ingalls said: "From the audience I have met so far I conclude that the people are much less interested in the silver question than in the other aspects of the campaign. I look for an entire change of front in our line of battle before the campaign ends. I feel entirely confident that we shall carry this state and the country."

Accompanied a Boyer.

LEXINGTON, Ky., Aug. 17.—Ex-Congressman W. C. P. Breckinridge and the Fayette county Democratic convention renounced the Chicago platform and advocated a third ticket. The convention was to select delegates to the Democratic state convention at Louisville, next Thursday. Breckinridge, as chairman of the committee, drew up and read the resolutions. Breckinridge will speak at the state convention.

The Best Colliery Repairs.

The work of repairing the Best colliery slope, which caved in on July 10th, is being pushed ahead as rapidly as possible, but it is not likely that it will be completed and the place in working condition again inside of the next two weeks. The cave-in was a very serious one, and involved a great expense upon the company. The break extended for over two hundred feet, and the constant slipping out of the old pillars caused most of the trouble. An immense amount of timber has been used, and the entire distance has had to be cribbed and forepoled, the cribbing at some places being from twelve to fifteen feet thick, behind the side legs, and even more over the pillars. Below the fall dozens of centre legs were knocked out, and will have to be replaced, and there are hundreds of tons of stuff packed along the slope that must be removed.

A Minister's Pointed Statement.

Some ministers and other public speakers are greatly troubled with hoarseness and sore throat. Here is what Rev. S. R. Evans, pastor of the Williamsport, Pa., Third street M. E. church, says: "My throat became so hoarse and troubled me so much that I sought my ministerial work from the pulpit must end. Used Thompson's Diphtheria Cure and obtained prompt and permanent relief. Can highly and unreservedly recommend Thompson's Diphtheria Cure as a sure and safe remedy for all it claims."
